**JOIN US AND HELP GET THE CAMBRIA SKATEPARK BUILT!**  
**SKATE INSPIRED, YOUTH DRIVEN AND COMMUNITY SUPPORTED!**

## OUR STORY

In the Spring of 2020 the skaters of Cambria lost their local skatepark. It was removed and reverted back to an empty asphalt lot. This hit the youth of Cambria especially hard, as they lost not only their skatepark, but also their place to gather and hangout with friends. With the support of their parents and other local skaters, Skate Cambria was formed with the mission of rebuilding the skatepark as a modern concrete facility that will last for generations to come. Skate Cambria is committed to this mission and has made its voice heard to the community and local government through weekly rallies, discussions with stakeholders, and consistent attendance of community planning meetings.

We are pleased to report a total of **\$625,000.00** has been raised to date and we are reaching out for your help to take this project the rest of the way. We are so thankful for those that have donated already.

**Our goal is \$750,000.00!**

You will find a picture of the preliminary creative, a copy of the resolution from CCSD on their commitment and letters of endorsements. Join us in returning this much needed recreational asset back to our community.

Re; Cambria Skate Park

Honorable CCSD Board of Directors  
Pros Commission Commisioners

Honorable Board and Pros Commissioners

I am Mel McColloch, President of the Cambria of Commerce and I am representing a large majority of our 160 Chamber members. The chamber and a majority of our members support the rebuilding of the skate park in the location of the old skate park. We also totally support the CCSD giving any grant money available to provide the funds needed to help rebuild the skate park. The youngsters in the community deserve the facility, they have very little else in the way of activities in Cambria. The youngsters have worked diligently and hard to raise funds to help build the skate park.

The current unusable skate park is in my opinion and the opinion of other the best location. It has proven to be a safe location and adds vitality to our community. It is important to provide activities for our youngsters, as we have done for our older residents. It is a great investment for our community youth and tourists with children.

As I understand it, Prop. 68 grant monies will provide the much needed money to to help fund the rebuilding the skate park.

I urge the board to to award all of the prop 68 grant money to the skate park initiative to help fulfill the dreams of many of our youth in Cambria.

Thank you and be safe out there

---

On behalf of the entire Board of Directors of the **Cambria Community Healthcare District**, I would like to extend our support to the rebuilding of the skatepark. We are committed to improving the health of our district residents by providing emergency services, enhancing access to care and promoting wellness. We support the location on Main Street which helps to provide a much needed community asset for encouraging healthy living. Skateboarding is deemed a spectator sport, and the location on Main Street will provide residents and visitors an opportunity to see and promote the vitality of the community. We strongly urge the CCSD Board to additionally award the entirety of the Prop. 68 grant funding to the skatepark project to get the skatepark built. The skatepark will be a much-needed asset to provide the youth of our community a way to remain active, and an opportunity for visitors to see our commitment to healthy living.
