

**Petition to the CCSD for a new skatepark to be built on Main Street,  
across the street from the Vets Hall in Cambria, CA.**

The local skaters of Cambria, along with parents, and people who want to skate when they come to Cambria want to get the youth of Cambria involved with the CCSD to see a new skatepark rebuilt for the youth of our community. We are asking everyone who loves the Cambria Youth and the Cambria Skate Park to sign this petition and get involved! We think the youth should be encouraged in designing a new skate park, have different quotes and plans drawn up, and then voted on by the youth.

We want to see the CCSD participate with the kids and help build, fundraise, and maintain the skatepark. Let us get the skatepark going and give the kids a fun place to hang out!!

**Please sign below if you agree ~ Thank you!**
